STIPULATED MOTION AND ORDER  
CONTINUING TRIAL AND  
REMAINING PRE-TRIAL DATES

**I. STIPULATION**

The parties in this matter stipulate and agree to move the Court for an Order continuing the trial date and remaining pre-trial deadlines. The parties agree there is a need for additional time for a number of reasons, including the following: (1) to obtain the medical records of the plaintiff, which have been ordered but believed to be subject to significant delay from the providers due to the COVID-19 pandemic; (2) to schedule plaintiff's medical review as requested by defendants; (3) to resolve pending discovery disputes; and (4) to allow time for experts to prepare reports based on a full record. The parties also anticipate that (5) additional

time for trial will be required because of the addition of two defendants since this matter commenced and, therefore, ask the Court to reserve eight days for trial.

This is the first continuance of the trial date. The parties propose a trial date of August 1, 2022, and the remaining pretrial dates as follows:
